All our teas are high quality loose leaf tea which are carefully selected from companies who are fair trade and ethically registered.

- | | |
|----------------------|--|
| Assam | A full bodied tea with good malty flavour, grown in Assam valley in north India. |
| Darjeeling | Is known as the Champagne of Teas. A large leafed Indian tea from foothills of Himalayas. Delicate flavour. |
| Earl Grey | A light China based Liquoring tea scented with Bergamot oil. Known to be the Queen Mothers favourite tea. |
| Green Tea | Made solely with leaves of Camellia Sinensis that have undergone minimal oxidation during processing. |
| Russian Caravan | A blend of Oolong, Keemun and Lapsang Souchong Chinese teas. It has a distinctive smoky aroma. |
| Jasmine with flowers | Semi green leaf tea with Jasmine flowers added to it. Good for cleansing the palate. |
| English Breakfast | A blend of Assam and Ceylon black tea. An all day cup of tea which has a full round taste and goes well with milk and sugar. |
